PARRY ANGUS

27TH ANNUAL
Bull and Female Sale

FRIDAY, MARCH 7, 2025
1:00PM - AT THE RANCH, 9 MILES NORTH OF STERLING, CO

PARRY ANGUS

Dear Cattlemen,

Welcome to our 27th Annual Bull and Female Sale. We are very pleased to offer you what we believe is as good of a set of bulls as you can find almost anywhere. Raising Angus cattle is a passion for us and we feel blessed to be able to do this for a living.

A wise man once told me that “you are selling more than just a bull, you are selling a program”. He also mentioned that your catalog should tell the story of your program. So as you flip through this book, I hope that you take notice of the value that we place on the female side of the pedigree. We believe the Angus female is the foundational building block of any herd and she needs to be big ribbed, easy keeping, feminine, sound made and fertile. If she doesn’t calve on time, raise her calf and breed back, she isn’t very profitable. We have gone out and purchased some incredible, elite females that we see as the right “kind” to add to our own ranch raised donors that will serve as the base of our herd going forward. Bull selection is also done with the female in mind, trying to fill those seven slots in a three generation pedigree with as many excellent dams that are similar in type and kind as possible.

We are pleased to offer you this set of Angus and Sim-Angus bulls and heifers. We feel we have put together a solid offering of bulls that exhibit plenty of growth mixed with calving ease to meet any of our customer’s needs. There are some truly outstanding individuals in this group. Our goal is to make bulls that are profitable for our commercial customers. We are all in this business together, and your success is vital for ours. Feel free to talk to us any time if you have questions about the cattle. We will always answer any question honestly and to the best of our ability. Our customers are usually considered friends and we want to earn your trust, see you succeed and be profitable, and take care of you if any problems should arise.

Please feel free to call or stop by the ranch at any time. We love the opportunity to take a break from work and talk cattle with good cattlemen and friends. We are so thankful for everyone who continues to support our program, and we always love to see new faces and meet new people. God Bless!

See you Sale Day,

The Parry's

TERMS AND CONDITIONS

The terms of the sale are cash and all settlements must be made at the close of the sale unless otherwise arranged.

ANNOUNCEMENTS

All announcements from the auction block take precedence over the printed material.

HEALTH

All bulls have had a complete vaccination program, as well as vaccinations for pinkeye and footrot, and have been backpoured with Clean-Up II and Ivermectin. All bulls will be given a complete soundness and fertility examination by Dr. Mike Coakley, DVM prior to delivery in April. Any bull that does not pass a full BSE falls under our guarantee. All bulls are genetic default free by test or by pedigree unless otherwise stated.

VETERINARIAN

Dr. Mike Coakley, DVM.....970-522-2028

LIABILITY

Everyone attending the sale does so at their own risk and responsibility. The owners and employees of Parry Angus assume no liability, legal or otherwise, in the event of accident, bodily injury, or loss of property.

HAULING

Parry Angus will deliver bulls up to 200 miles at no charge. Arrangements can be made for further delivery. Delivery will begin approximately April 1st.

BULL WINTERING PROGRAM

If the buyer so desires, Parry Angus will care for and feed the bulls until April 1st at no charge. A feed charge of \$2.50 per head per day will apply after that date.

FERTILITY AND BREEDING SOUNDNESS GUARANTEE AND FIRST BREEDING SEASON GUARANTEE

All bulls sold by Parry Angus are guaranteed breeders at the time of turnout and for their first breeding season (the 90 day period following the first turnout of the bull). Parry Angus guarantees that all bulls sold in this sale possess adequate libido and semen quality to settle a female. Bulls believed to be non-breeders may be returned to the seller at the buyer's expense and another bull, if available, will be provided. If such a bull is not suited or needed, Parry Angus will give the buyer full credit to be used on one bull in the following years sale. If the buyer so desires, Parry Angus may also allow the buyer a full refund for the purchase price of the bull. Both the refund and credit will be set at the purchase price of the bull minus salvage value assumed at \$2500. Parry Angus will only honor this agreement if a veterinarian determines that the bull in question has inadequate libido, unsatisfactory semen quality, is unable to extend, or has a detrimental penis or testicle injury. Parry Angus does not guarantee against bodily injury (other than an injured penis or testicles), disease, or mortality. All claims must be diagnosed by a veterinarian and made by September 1st.

VOLUME DISCOUNTS

Customers who purchase three bulls will receive a 3% discount, four bulls a 4% discount, five or more bulls a 5% discount. Customers who haul their bulls home on sale day will receive a \$50.00 discount.

CATTLE VIEWING

The cattle may be viewed at Parry Angus any time before the sale. We appreciate if you call ahead, but visitors are always welcome. The bull's videos may also be viewed on-line at www.parryangus.com and/or www.dvauction.com.

“He is an impressive specimen”. Those were Chris Earl’s words when he saw Marksman. He is a long spined bull that is big ribbed and soft middled. He has true skeletal width and muscle and yet is angular in his front third and gets out and moves on a long stride. He is a good footed bull that comes from a beautiful 9 year old Soo Line Motive dam that just never misses. She has a WR of 6/104 and a YR of 4/106. She is a feminine fronted female with good foot structure and a beautiful udder. Marksman combines a rare set of numbers with exceptional phenotype and a productive dam into one package. A maternal brother is working for Panther Creek Ranch in Bowen, IL.

A very unique animal, Marksman combines rare genomics with a proven, maternal dam that never misses!

Baldrige
ISABEL F047

Dam of Lots 3 and 4
AAA 19235220

Here is a pair of flush brothers from the legendary Baldrige Isabel F047. She is a female that needs no introduction. There is a royal pedigree here combining the famous Isabel cow line with other greats like Poss Blueblood 6502, the dam of Poss Rawhide. These two brothers have extra length and style along with a set of numbers that is truly impressive. Mission has been a standout since birth with his extra bone and presence as a young calf. 4P49 has extra length and performance and crushed the scales with a weaning weight of 763 earning him a ratio of 113. They are sired by Poss Ratified who has been gaining attention across the nation for his ability to transmit muscle, style, and calving ease.

Mercenary is a powerful son of Poss Remington. He has been a standout since birth with his added muscle, skeletal width and depth of body. You can easily pick him out in the pen because of his unique look as the kind of bull that could get along anywhere. He is a bull with extra width, mass, and fleshing ability in a moderate framed package. His Upfront dam has been outstanding here. She is ultra-feminine fronted with great feet and a nice udder.

Mercenary as a baby calf. He was muscular and stout even then!

PAR Lady Est 546-Upfront-715. The donor dam of Lots 16-19.

I can't say enough good things about these flush brothers. Their dam "715" is absolutely one of my favorite cows on the ranch. She is phenotypically about as good as you can make one. She is super feminine fronted with a smooth shoulder that works back into a big rib, deep flank and level hip. She is sound made and has a picture perfect udder. She earned her spot in the donor pen the hard way by out-producing her herd mates. This flush with Deadwood gave her progeny a shot of added performance and carcass merit which is evident in their data. They are a high performing bunch that exhibit style, mass and muscle along with structural soundness. They are a fun bunch to look through in the pen.

This may be my personal favorite of the Justification sons. He has a little softer, deeper look than is typical of what Justification throws. He is thick ended with lots of shape and gives you that easy keeping look. He would work great on heifers.

Baldridge
ISABEL Y69

Dam of Lot 86
AAA 17149410

If you are looking to add a head turning female to your program, PAR Isabel 3118 is a great place to start. She is a direct daughter of the late, great Baldridge Isabel Y69. She is by Poss Remington who has just begun to write his own story. She is a deep ribbed, easy fleshing female who should be the cow making kind. She sells as a bred heifer due to calve in the fall.

AI bred to Connealy Craftsman on 12/16/2024. Ultrasound confirmed pregnant.

Isabel H162 is a direct daughter of the great Baldrige Isabel F047 and by GB Fireball. If you are looking to add high octane genomics to your female lineup, she should do it. F047 is the \$195,000 half interest donor dam that went to GMC Genetics through the 2022 Baldrige Performance Angus Female Sale. This is an outstanding genetic opportunity that is extremely rare to find. She sells as a bred heifer due to calve in the fall.

AI bred to Connealy Craftsman on 12/13/2024. Ultrasound confirmed pregnant.

Isabel 425 is a big ribbed, broody daughter of Vercingetorix. Her dam, Isabel G886, was purchased from the 2023 Baldrige Performance Angus Female Sale and is a full sister to the popular Sterling Pacific 904. She is also maternal sister to the famous Baldrige Isabel F047 who commanded \$195,000 for half interest. This is a great opportunity to acquire a royal genetic package with great genomic predictions.
